

# The Pathfinder Project

**What unexpected contexts leverage the exceptional value of disabled veterans in the corporate workforce?**

## Methodology

### Phase 1 – Convene Advisory Group

- Explain broad commitments and general mixed-methods approaches
- Set up standing committee meetings
- Conduct literature review
- Refine research questions

### Phase 2 – Qualitative Inquiry

- Recruit focus group participants through partner organization veteran and disability ERG's
- Conduct qualitative data collection through online, synchronous focus groups
- Design survey based on focus group findings

### Phase 3 – Quantitative Inquiry

- Conduct and analyze survey data
- Develop publication
