

Accessibility at the Disability:IN Global Conference & Expo

**For Builders, Investors, and Leaders
Shaping the Future of Business.**

Accessibility has moved from a technical requirement to a core business capability that influences talent outcomes, customer experience, compliance, and brand stickiness.

WHAT YOU'LL GAIN

- Real-world examples of modern accessibility and accommodation governance that improve speed, consistency, and global scalability
- Practical approaches to AI-enabled and technology-driven accommodations embedded into everyday workplace systems
- Clear tools for aligning accessibility, legal, HR, IT, and procurement around shared standards and execution
- Exposure to emerging accessibility and AgeTech solutions, including how organizations are evaluating and scaling them

CONVERSATIONS SHAPING THE FUTURE OF BUSINESS

- Accommodations Innovations: Modernizing Support
- AgeTech and the Future of a Multi-generational Workforce
- Assistive Tech as Mainstream Tech
- Autonomous & Robotic Mobility: Accessibility, Labor, and the Future of Urban Economies
- Power for the People: Advancing Accessibility in Human-Centered Artificial Intelligence
- Plus: demos, networking, the premiere showroom of emerging solutions [...and more!](#)
