

Neurodiversity at the Disability:IN Global Conference & Expo

**For Builders, Investors, and Leaders
Shaping the Future of Business.**

By 2040, over 40% of the global workforce is expected to identify as neurodivergent. Is your business ready?

The opportunity is not future-oriented- it is current and compounding as talent expectations evolve. Organizations that build neuroinclusive systems are seeing gains in innovation, productivity, and agility.

WHAT YOU'LL GAIN

- Practical frameworks for neuroinclusive management, communication, and talent development
- Scalable approaches to accommodations that reduce friction
- Strategies for neuroinclusive workplace design that improve outcomes for all employees
- Tools to embed neurodiversity into leadership development

CONVERSATIONS SHAPING THE FUTURE OF BUSINESS

- Neuroinclusive Leadership: Building Manager Capabilities That Unlock Talent
- Human (Experience) in the Loop: Co-Designing Innovation with Disabled and Neurodivergent Talent
- The Future of Focus: Designing Workflows for Attention
- Self-Configuring Workspaces and Agentic Tools as Next-Generation Accommodations
- [...and more!](#)
