

Talent Acquisition

Building the Future Workforce at the Disability:IN Global Conference & Expo

**For Builders, Investors, and Leaders
Shaping the Future of Business.**

In a competitive labor market shaped by skill gaps and constant change, talent acquisition leaders are under pressure to expand pipelines without sacrificing quality.

Disability-inclusive hiring enables organizations to reach all qualified, high-potential candidates across experience levels.

WHAT YOU'LL GAIN

- Recruiting strategies that reduce unintended screening bias
- Tools to integrate accommodations and accessibility across the employee lifecycle
- Manager enablement models that improve retention and performance
- Connections to qualified talent with disabilities of all experience levels- especially emerging and early career talent.
- Actionable strategies to build stronger, more resilient hiring systems.

CONVERSATIONS SHAPING THE FUTURE OF BUSINESS

- Preparing Talent for Constant Change
- Neuroinclusive Leadership: Building Manager Capabilities That Can Unlock Talent
- AgeTech and the Future of a Multi-generational Workforce
- Upskilling with Access: Developing Disability-Inclusive Pathways for Career Growth
- Built for Complexity: Veterans and the Future of Work
- Plus: talent meet & greets, matchmaking, networking [...and more!](#)
