

Disability:IN's Research Database

Sample Post:

- Your experiences can help shape the future of disability and accessibility in business.

Join the Disability:IN Research Database to learn about opportunities to participate in surveys, interviews, focus groups, and other studies that explore the economic and workplace impact of disability inclusion and accessibility.

Add your perspective by scanning the QR code or visiting the following link:

<https://disabilityin.tfaforms.net/5025359>

- Join the Disability:IN Research Database and stay connected to opportunities that advance understanding of disability and accessibility in business.

The form takes about four minutes to complete, and every opportunity is optional. Whether you're a person with a disability, employee, business leader, student, veteran, investor, or someone connected to the disability community, your perspective can help inform business leaders, investors, and policymakers: <https://disabilityin.tfaforms.net/5025359>

Add alt text: A blue graphic with a white rounded rectangle in the center. A headline sits at the top on the blue background reading "Help Shape the Future of Disability Inclusion in Business". Below is a large title of "Join Disability:IN's Research Database" and QR code and text box arranged side by side inside the white area. The QR code with the Disability:IN ":IN" logo in the center and reads "Scan to join or visit the link in the caption." The bottom right contains a dark blue box with text "Share your perspective through research opportunities related to disability and accessibility in business."
